Full Stack Developer

Rajasthan, Jaipur

SUMMARY

With a Master's degree in Computer Applications and a solid grasp of web development technologies including HTML, CSS, JavaScript, React, and Django, I am well-prepared to contribute effectively as a web developer. My academic background, combined with hands-on project experience, has equipped me with the technical skills and problem-solving abilities necessary to develop high-quality web applications. I am enthusiastic about continuously learning and staying updated with the latest industry trends to deliver innovative solutions.
